L-8 PREMIERE

MEET THE PANELISTS

The Honorable Jen Jordan was Georgia's Democratic nominee for Attorney General in 2022 after serving in the state senate since 2017. In 2019, she delivered an eloquent and emotional plea opposing Georgia's six-week abortion ban with a speech which immediately went viral with its heart-tugging sincerity. Her 2022 campaign received the most votes for any Democratic candidate seeking statewide constitutional office.

HD 52 Rep. Shea Roberts first FLIPped her seat in 2020 and has become a leading voice for the protection of reproductive freedom both as primary sponsor of a bill to restore pre-Roe access to medical care and by sharing her own abortion story from a much-wanted, high-risk pregnancy similar to those making headlines today. ABOUT GEORGIA WIN LIST

49 CURRENTLY SERVING LEGISLATORS ESTABLISH NEW WIN LIST RECORD

Following a Supreme Court of the United States decision which returns decisions about reproductive freedom to the states, the **Georgia WIN List mission to preserve reproductive freedom has never been more important.**

With reproductive freedom as the lens for endorsing candidates, WIN List has helped elect and re-elect more than 90 women legislators over the years, with 49 of them currently serving.

The founders of Georgia WIN List convened during the summer of 1999 with a simple goal: establishing a network of powerful donors willing to provide pro-choice women candidates with the kind of early support and funding men in the “good ‘ole boy” network had long received.

WIN List used the highly successful national PAC, EMILY’s List, as an inspiration model and has worked closely with group over the years.

MISSION

Georgia WIN List is a political action committee dedicated to recruiting, training, supporting, electing, and reelecting Democratic women to statewide and legislative office who will be effective advocates for the issues most important to women and families, including preservation of reproductive freedom.

VISION

To Change the Face of Power in Georgia by
Electing Women in Numbers.
